## PROPERTY OVERVIEW

**1000 NORTH SOUTH ROAD SCRANTON, PA**

**Keyser Valley Industrial Center** offers **165,000** square feet of readily available distribution or manufacturing space with existing examples for a structural addition. The addition can be built up to 130,000 square feet and 40 feet high. 1000 N South Road includes 27 dock doors, office and mezzanine space, 12- to 22-foot clear height, and 100% sprinkler coverage. The site can support high power usage with over **\$1.5 million** in recent infrastructure investment.

- Lighting is high pressure sodium fixtures with motion detectors providing **25-30 footcandles**. Exterior Lighting is provided by a combination of wall, ground and pole mounted wall fixtures. Emergency lighting via individually operated battery pack units throughout.
- Emergency generator set - Onan natural gas operated **60 kW, 75 kVA, 120/208 volt**, three phase, four wire.
- Ceiling Height is **14' clear** in the staging area and **22' clear** in the warehouse section.
- Floors are 6" reinforced concrete **6"x6" 4/4 W.W.M. over vapor barrier and 4" gravel**.
- One story with the exception of a **3,000 SF** mezzanine space.

- **120'** Loading dock truck turn around
- The adjacent green space can be remade for use as additional parking space.
- Direct access to the **Reading & Northern Railroad rail lines** is available to the property.

Businesses will enjoy easy access to Central Scranton Expressway, located about a mile from the property, and Interstate 81, about 2 miles away. Wilkes-Barre/Scranton International Airport is only 20 minutes from the Keyser Valley Industrial Center. Within a day's drive, truckers can reach roughly **60% of the nation's population, as well as 40% of Canadian consumers**.

**Scranton, Pennsylvania**, is a small northeastern town perfectly positioned to accommodate the growth and prosperity of e-commerce, shipping, and a high distribution level with its quick highway access and connectivity. Major companies like FedEx, Amazon, and Isuzu occupy distribution hubs in Scranton. With turnkey industrial space in a pivotal distribution hub, **1000 N South Road** offers the superior option to thrive in this bustling market.
